# About Us

The Perley and Rideau Veterans' Health Centre is one of Ontario's largest and most progressive long-term care homes. It is also an innovative Seniors Village with 139 independent-living apartments and a 12-bed Guest House providing respite care. Veterans enjoy priority access to 250 of the Health Centre's 450 long-term care beds and to the Seniors Village apartments.

The Perley Rideau serves as a hub for all seniors and particularly benefits those who are isolated or socially frail. Residents of both the Health Centre and the apartments enjoy ready access to a range of clinical and therapeutic services, along with social and recreational activities and programs.

The Perley Rideau Foundation is a fully independent, registered charity that raises funds to help the Perley and Rideau Veterans' Health Centre achieve its mission; excellence in the health, safety and well-being of seniors and Veterans with a focus on innovation in person centered and frailty informed care and service.

Donors fund everything from essential equipment to the therapeutic music program and art studios. In 2017, the Foundation was able to, as result of tremendous donor support, provide over \$577K towards resident priority needs and \$100K towards the updated call bell system.

*Donors like you make it all happen. Thank you.*

# Thank You!

“ All of the staff at the Perley Rideau are so friendly and make a point of knowing both residents and family by name. They always greeted my grandfather with a smile and they were always checking to make sure he had everything he needed.”

*Lisa Boroczki, grand-daughter of the late John Newell, WWII Veteran and former Perley Rideau Resident*
